

## Highlands and Islands Fringe – Agenda

### Mon 11 March

DataFest19 Fringe Launch –  
by invitation only.

### Tues 12 March, 12.00–14.00

#### How Technology is changing the work of Lawyers

A round-table lunch discussing the impact of technology (including AI and machine-learning) on the legal profession, with guest speakers Kerry Trewern and Rhona McNair from the University of Glasgow.

### Wed 13 March, 09.30–11.45

#### Health and Safety Management Systems

Workshop hosted by CeeD in partnership with Mabbett EHSQ Consultants & Engineers and Highlands & Islands Enterprise giving an overview of ISO 45001:2018.

### Wed 13 March, 10.00–10.45

#### Booking Trends – How You Can Boost Your Business

Watch live online. Discover the latest trends in how and why visitors are booking and how you can harness that information to grow your business.

### Thurs 14 March, 13.00–15.30

#### Data Talent in the Highlands

Find out about local programmes helping individuals to develop data analytical skills and how business can develop staff, recruit and get involved.

All of the above events are free and take place  
at #hellodigital An Lòchran, Inverness, IV2 5NA
